Blakeney Sailing Club Risk assessment – Petrol Storage

All members should note that BSC is a Community Amateur Sports Club that is run by members for the benefit of members. We all have a responsibility for our own health and safety and the safety of others. It is the member's responsibility to please follow the advice and guidance laid down in this risk assessment and not to engage in any activity that puts you or others at risk of injury.

The following are risks we have identified:

				Further measures as appropriate	
Hazard -1	Potential severity	Who is at risk	Control Measures		Residual
	and risk				risk
	Explosion, fire,	The Bosun, his	We comply with the Dangerous	Petrol containers must be placed on the	
Petrol	burns, death.	assistant,	Substances and Explosive Atmospheres	ground when being filled.	
		Patrol Boat	Regulations 2002 (DSEAR) concerned	Adequate ventilation at all times,	
	Medium risk	operatives,	with preventing or limiting the harmful	No sources of ignition / heat likely to	Low
		Club members	effects of fires, explosions and similar	ignite petrol or vapour.	
		and visitors	energy-releasing events.	sonny.garrett@fire.norfolk.gov.uk	
			We can store up to 275Litres so long as	of Norfolk Fire Services confirms we do	
			they are in approved containers and	not need a Petrol Enforcing Authority	
			secure store for highly flammable liquid.	licence but BSC needs to inform them	
				once a year.
