Terms and Conditions

Attention is drawn to the BSC Sailing Instructions/Flotilla Sailing Rules and Youth Policy which include the following:

All boats are required to hold adequate insurance and in particular to hold and to continue to hold insurance against third party claims in the sum of at least £2,000,000 arising from any one incident.

BSC considers all those younger than 18 years old to be Youth Members. The parent or guardian of a Youth Member is required to sign the Annual Youth Consent Form; made available for the inspection of the Race Officer (RO) or Event Organiser (EO).

Members who are less skilled or less experienced are expected to inform the RO or EO before participating in a Blakeney Sailing Club organised event. The decision to sail remains with the member but the RO/EO 's decision is final as to whether the member can join in the event.

The temporary member is entitled to use all club facilities during the period of membership.

The temporary member is entitled to receive prizes and trophies.

Dinghies are parked in the dinghy park at the boat owner's risk

The completed application form and fee must be handed to the RO or EO before participating in any club events for which membership is required.
